

Imagine an animal hospital with a team that practices the highest quality medicine, values the personal and professional growth of all staff members, strives to never stop learning, and loves going to work every day. Imagine that animal hospital is located in a beautiful, highly desirable area with an abundance of outdoor activities including outdoor water activities with the Sassafras River just one minute away, while still maintaining that small-town, close-knit feeling. Uniquely centered in between New York City, Philadelphia, Baltimore and Washington, DC. Less than an hour drive to Philadelphia International Airport. Now, imagine that animal hospital is looking for a passionate and experienced Veterinarian.

These things don't have to be a dream, because Galena Animal Medical Clinic in Galena, Maryland is looking for a Veterinarian to help us meet the needs of our thriving animal hospital!

You'll love the high nurse-to-doctor ratio, innovative and forward-thinking team, fun but professional atmosphere, and incredible benefits. Our practice has been serving the community for more than 17 years, and our dedication to the people and pets here shines through in everything we do. We are a full service animal hospital providing daytime/urgent care services.

We'll love your experience, passion, drive and ability to work well with a team. This is a full-time or part time position for a Veterinarian. We offer an excellent mentoring program for new DVM Graduates.

Benefits include:

- A highly competitive salary commensurate with experience
- Health, vision and dental insurance
- Paid time off
- License Fees/Dues/Professional Liability Coverage
- Annual CE allowance and time
- 401k
- Quality of life - NO after hours/No On Call
- Practice buy-in opportunity
